**JAZZ NIGHT**

Jazz Night is set for March 12 at the Comfort Inn. Tickets and posters are available NOW! Sell, Sell, Sell! We have room for over 500 people. We also need as many donations as possible. Ray explained that if we could each get a few more people involved with the donations we would be able to get more and not spread ourselves so thin. Ray also explained that we are going to do a raffle type auction in addition to the silent auction items. Susan G. will help Tiffany with the silent auction set-up. Many possible items were discussed and different people we could contact. Plus some of the disappointments we have encountered. Kim Lapp will call Laura Harder about helping with decorations. Matt asked if the Guard could be the Hat Check girls. Corey and Mary will work out the schedule with the girls so they can all enjoy the dancing. Next Tuesday February 16 in the Band Room.
