-Income from MCGC volunteering will be split between winter guard and drum line beginning Next season.

-We need school board approval for the marching band to go to National's. The next school board meeting is June 16th @ 6:30. Matt will present it to the board.

-A motion was presented by Mary McAllister that we send in the \$900 registration fee required for us to participate at National's. Beth and Staci seconded the motion.

-Astroturf is going to be installed in the football stadium.

Brandi Brauker - absent

Heather Ellenwood - absent

Melanie Jorgensen - absent

Mr. Ratkos - absent

3. Fundraising: Century Resources fundraiser for all music programs will begin the first week of September.

-Discount card will be sold by marching band students only. Card should be done soon, and we will be able to preview it prior to final production.

4. Public Relations: There are some email issues for CMich addresses that need to be resolved.

5. Old Business: Bill talked to Kathy Johns from the Women's City Board last week and was invited to the next board meeting at the new president's house. Board does not want to pull the \$ away from us. Bill explained to them the progress of the irrigation issue. Bill has homework, needs to talk to Chris from Green Scene and see if he has a plan in place, or else consider a different business for irrigation. It would be good to do an introductory meeting with the principal and let them know what has been happening. Women's City will meet again in September. Bill invited them to come out and see the field and listen to the kid's. They asked us if we had enough money, we should have enough to cover our costs that have been quoted to us. Women's City is looking for completion. They are happy and optimistic. Bill is in communication with Mary. Bill and Brad will plan an organized presentation and present it to Mr. Pung who has the final decision. IMB may have to give Women's City back their money if there is no progress with the field irrigation.

6. New Business: Matt will decide on the show shirt theme early enough, so we can have it on display and students will be able to order them at band camp.

Next meeting is August 5th @ 7 p.m.

Meeting adjourned at 9 p.m.
